

We Believe Statement

We believe the Church of God Academy is commissioned by God to provide a place of stability and consistency in communities all over the world. It is of utmost necessity that a safe haven is provided for children, where learning can be pursued without fear of discrimination against their ethnicity, gender, or socioeconomic status. The Church of God Academy will be striving to provide that environment. We have set up a standard of true salvation in our schools and because of that there is no room for violence, discrimination, or prejudice. We have based our school on the Holy Bible, so we believe the scripture, "I will gather you from all the nations" Jeremiah 29:14. Henceforth, we will demand unity, harmony and peace with our students, parents, staff members, teachers, and administration.

We believe, as the administration, teachers, and staff members of The Church of God Academy, that it is of necessity to be at the forefront and cutting edge of purity and holiness. The Bible is our guide in all aspects of holiness, including the design of our school uniforms. Our faculty is serving a vital position in the community by creating a holy standard and filling the crucial position of role models in the community. The scriptures teach us:

Proverbs 22:6 Train up a child in the way he should go: and when he is old, he will not depart from it.

Deuteronomy 4:9 Only take heed to thyself, and keep thy soul diligently, lest thou forget the things which thine eyes have seen, and lest they depart from thy heart all the days of thy life: but teach them thy sons, and thy sons' sons

Deuteronomy 6:7 And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.

These verses we hold so strongly that we believe every child who attends the Church of God Academy will have good spiritual growth and will be able to prosper. The students will also, without reservation, receive the fundamentals for educational success and a productive life.
